## 2. Multiplikacijski dogodek projekta DroneTeam: Drone it yourself!

Objavljeno: 21. 06. 2018

Multiplikacijski dogodek projekta Droneteam z naslovom Drone it yourself! se je odvil 21.6.2018. Predstavitve projekta in njegovih rezultatov je bila nazorna in zanimiva v obliki predstavitev in delavnic. Obiskovalci so lahko poskusili leteti z dronom na tri načine: na simulatorju, v obliki igrice, v kateri so se naučili tudi pravil, najpogumnejši pa tudi z resničnim kvadrokopterjem.

Udeležencem smo predstavili tudi e-učilnico, ki je nastala v okviru projekta. Tu najdemo vse o dronih - od izbire in funkcij posameznih komponent, sestave osnovnega in naprednega drona, testiranja, pravil letenja z droni in še kaj...

Uporaba spletne učilnice je brezplačna, zahteva pa registracijo z elektronskim naslovom, da lahko spremljamo vaš napredek.
